

Nikwax Product Footwear Selector

Choosing the correct combination to wash, reproof and condition your outdoor and country footwear can sometimes be challenging. Our Nikwax product footwear selector table below identifies the necessary combination to maintain your technical outdoor footwear so that you get the most out of your boots and shoes.

Footwear	Washing	Reproofing	Conditioning
Smooth leather boots or shoes	  <p>Sponge On</p>	 <p>Spray On</p>	 <p>Sponge On</p>
Fabric and Leather footwear	  <p>Sponge On</p>	 <p>Sponge On</p>	
Nubuck and Suede Footwear	  <p>Sponge On</p>	 <p>Sponge On</p>
